

Finance Intern - Orderchamp

Start date: Feb 2026

The role

Orderchamp is seeking a **Finance Intern** to join our team in Amsterdam. In this role, you'll be an essential part of the finance team — not just supporting day-to-day finance operations, but actively helping us improve our processes and contributing to Orderchamp's success from day one. You'll collaborate closely with our commercial, product, and support teams, gaining a full view of how finance connects across the business.

Your day-to-day activities will include a mix of operational finance tasks — such as accounts receivable/payable, billing, reconciliations, and preparing VAT returns — alongside larger projects like forecasting and deep dives into complex financial issues. You'll also work closely with the head of finance to improve and implement new processes.

As a fast-growing scale-up, we're looking for someone who can thrive in a dynamic environment and is comfortable managing multiple priorities at once.

Requirements

- BSc./MSc. in finance, economics, statistics, or a related field;
- Great organizational and time-management skills;
- Excellent oral and written communication skills;
- Fluent in English;
- Asset: Experience with bookkeeping software Exact and/or SQL.

This is you

- You really enjoy digging into complex or unclear topics and thrive on independently uncovering the information you need;
- You're structured, diligent and accurate;
- You have a hands-on mentality and are result-driven. Tackle immediately and solve pain points. You see problems as a challenge;
- You are proactive in reaching out to all type of stakeholders and are comfortable initiating contact;
- You enjoy working in a scale-up and are confident in adapting in a rapidly changing environment.

What we offer

- You'll be an integral part of the team. You'll get real responsibilities from day one and contribute directly to our work. This is a hands-on role where you'll truly learn what it means to work in a professional environment;
- Internship remuneration; €500 for Bachelor students, €600 for Masters;
- Excellent work equipment (MacBook Pro, large screen, etc.);
- Birthday day-off for cake in return!
