THE JULY

WE ARE THE JULY

The July is a premium hospitality brand that's bringing the human touch to the way people travel. We build beautifully designed spaces in different locations around the world. Our teams have the ambitious goal to develop multiple new apartment-hotels across prime European cities like London, Dublin, Paris, Lisbon and Barcelona. Each location has the local stories and spirit interwoven throughout the apartment-hotel's distinctive design. The aim? For guests to completely relax, go on new adventures, and create interesting connections. In short, to stay their way. The July is a company of people who love people, it's as simple as that! From guests to fellow colleagues, we all take ownership of the organization. That's why we've been awarded multiple times as a Great Place to Work!

It all starts with you! The heart of our organization is undoubtedly our team members. Whether we are developing new hotels, taking care of guests or supporting our teams in the hotels, our team is aligned and focused on continuous success. We strongly believe it's essential that everyone can be their true selves. We want to hear your story and see your qualities that will provide our guests with the best experience.

From Guest Service Trainee to General Manager – A Journey of Growth and Opportunity

My journey with The July began in 2017 as a Guest Service Trainee at A-partments, the short-stay apartment concept where the 'The July adventure' first took off. When we transitioned from renting apartments to creating design-driven apartment hotels, a world of opportunities opened up.

From there, I took on several roles at TwentyEight and Boat&Co, growing from Assistant Operations Manager to Operations Manager, and now proudly serving as General Manager of The July – Boat & Co.

The July is more than a hotel brand. It's a fast-growing hospitality concept with global ambitions. As the company evolved, I grew with it. With exciting new hotels opening in London, Dublin, Portugal, and Amsterdam, the journey continues.

Looking back, it has been an exciting adventure, and looking ahead, I can't wait to see what the future holds. I invite you to be part of this story—hopefully, we'll meet soon!
