

INTERNSHIP

Business Development Representative

Sell impact, not just software.

Join Oddity.ai as a Business Development Representative Intern and help bring our abuse-detection AI to human service organizations. You're studying business/tech, fluent in English, proactive, and love talking to people (BD/sales experience is a plus). We offer €600/month, the gear/software you need, great lunches & Friday drinks, and real responsibility in a supportive team.

About you:

- You love to interact with people
- You are a team player
- You have affinity with sales-related activities
- Eager to learn and improve upon your skills and knowledge

Requirements:

- Following a Bachelor's/HBO degree or equivalent in Commercial Economy, Business Administration, Business Information Technology or similar
- Fluent in English
- Strong communication and interpersonal skills
- A proactive and independent approach to work
- Bonus: Experience with business development, sales, or a related field.

Offer:

- Internship compensation of €600
- Gear and software based on your needs
- Great lunches and Friday drinks
- A supportive learning environment with responsibilities
